

CIPA 2025

SEOUL

The 30th International Symposium
25-29 August 2025

Heritage Conservation from Bits

From Digital Documentation to Data-driven Heritage Conservation

We cordially invite you to the 30th CIPA Symposium, from 25th to 29th August 2025 in Seoul, Republic of Korea.

The CIPA International Symposium has long been a leading platform for heritage professionals, researchers, and practitioners to discuss the latest advances and challenges in digital heritage conservation.

Your participation will greatly enrich the Symposium. We look forward to welcoming you in Seoul.
